

Soil sample coding

Boulder Park:

- BLD13 - composite from raised beds at front of garden
- BLD46 - composite from raised beds at back of garden
- BLD7R - from ground bed 7 on the right, toward the back of the garden
- BLD8L - from ground bed 8 on the left
- BLDHB – from herb bed in front of boulder (new in 2019)

Briar Patch:

- BRI13 - composite from raised beds at front of garden
- BRI46 - composite from raised beds at back of garden
- BRIAB - composite from ground beds A and B on the right
- BRIPT - from ground bed C on the left (planted with potatoes in 2018)

NOTES:

- Sample numbers MAY NOT match current bed numbering, but 2018 and 2019 codings correlate with each other!!!!
- Front and back of garden references are as viewed from front gate of garden
